

GetThere DirectCorporate

Corporate Travel

GetThere DirectCorporate™ is the industry's most relied upon travel procurement solution. Designed to empower travel managers and travelers, *DirectCorporate* offers highly customizable technology, extensive global services and proven customer success.

Created by *GetThere*®, the pioneers of the online travel industry, *DirectCorporate* is also backed by the expertise of *Sabre Holdings*® corporation and *Travelocity*® consumer online business, world leaders in travel.

A majority of the FORTUNE 200 and the BTN Corporate Travel 100 rely on *GetThere* to streamline processes, improve supplier and contract management, and achieve ongoing and sustainable savings in corporate travel and meeting spend. Whether you are responsible for overseeing procurement initiatives or managing travel programs, *DirectCorporate* offers many powerful advantages to help you drive value to your travelers and save dollars for your company.

Managing Travel, Managing Costs

GetThere means more convenience for your travelers, more control for you, and more cost savings for your company.

- > Seamlessly push company travel policy and preferred suppliers
- > Analyze spend with reporting and forecasting tools
- > Integrate with any agency and GDS as well as your enterprise systems
- > Tailor the tool to your needs using customizable features
- > Access a world of content including GDS, web and direct supplier connections
- > Rollout globally and maximize travel management efficiencies worldwide
- > Capture meetings-related travel spend with our exclusive integrated meetings product
- > Rely on a scalable, robust, secure platform that supports millions of bookings annually
- > Quickly and effectively move and maintain your travel program online with support from our best-in-class implementation and service teams

Savings Is The Bottom Line

Put simply, *DirectCorporate* reduces travel costs by making it easy for travelers to book online while giving you the innovative tools and flexibility you need to successfully manage your corporate travel program.

- > *GetThere* customers report an average of 14 percent savings on airfares online and 51 percent savings on agency fees online – approximately \$100 per trip
- > Most customers see 50 percent online adoption within the first few months, and others have ultimately reached adoption rates of 90 percent or more, significantly reducing agency service fees
- > Companies experience increased operational efficiencies through streamlined procurement and travel spend management
- > Travelers find it easy to comply with corporate policies, preferred suppliers and negotiated rates
- > Your supplier relationships and negotiating power improve as more travelers use your preferred vendors

DirectCorporate Key Features

- > Easy access to air, car, hotel and rail reservations 24/7
- > Award-winning, easy-to-use leisure interface
- > Travel policy and preferred supplier compliance
- > Flexible integration with procurement systems
- > Global, multi-GDS and multi-travel agency solution

DirectCorporate Key Benefits

- > **Company Cost Savings** – Fewer agency fees, access to lower fares, and increased use of preferred suppliers and negotiated rates
- > **Travel Manager Control** – Increased policy compliance, ensuring your travel spend is under control and your travel program is a success
- > **Traveler Added Value** – A familiar, easy, leisure-like online shopping experience combined with “all the extras” including dining, activities and events
- > **Travel Arranger Flexibility** – The ability to easily book, manage and track multiple traveler itineraries online and in real-time
- > **Operational Efficiencies** – Integration with other enterprise-wide systems streamlines procurement operations and drives efficiency
- > **Enhanced Supplier Relationships** – Travel policy compliance means more bookings for preferred vendors, enhancing supplier relationships and increasing negotiating power

**No Boundaries.
Just GetThere.**

GetThere DirectCorporate Features

GetThere DirectCorporate is the most advanced online travel booking and travel management solution available today – offering a proven track record of savings and adoption success for the world’s leading corporations. Employees and travel managers can book and manage travel online using features that are available as a combined package only from *GetThere*.

Highly Integrated Content

- > **Only Multi-GDS and Multi-Agency Solution** – Access inventory from multiple GDSs (Abacus, Amadeus, Apollo, Galileo, Sabre and Worldspan) using *GetThere Super PNR™* technology
- > **GetThere Web Connect Technology** – Access more than 50 online travel sites and a wide variety of global content sources
- > **Rail** – Seamlessly manage and book rail online, including Amtrak throughout the Northeastern US, VIA Rail in Canada, TheTrainline in the United Kingdom and SNCF in France

Empowered Traveler Self Service

- > **Leisure-like User Interface** – Offers air, car, hotel and rail from a single home page and is easier than ever to use, like the popular leisure travel sites
- > **GetThere Online Ticket Exchange™** – Travelers can void, refund and exchange their tickets online
- > **Hold Trips** – Reservations can be held easily in the GDS prior to booking
- > **Pre-Trip Approval** – Every traveler booking can be reviewed in advance for manager approval

Extensive Global Capabilities

- > **Regional Customization** – Our highly flexible solution delivers local content and capabilities in each country or region
- > **User-Selectable Languages** – At login, travelers can select among German, French, French Canadian, Spanish, Portuguese, English (American and Commonwealth) and Italian
- > **Operational Excellence** – Proven track record of supporting global operations
- > **Local Support Teams** – Quick, easy access to local expertise
- > **GetThere Super Site™ Technology** – Simplifies global rollouts by applying the appropriate currencies, languages, policies, agencies and GDSs to local sites

Only Fully Integrated Meetings Tool

GetThere’s robust meetings tool is now available as a standard feature of *DirectCorporate*. The *GetThere DirectMeetings™* product handles meeting invitation and registration, cost tracking and reporting, site selection and more. With *DirectMeetings*, all meetings related travel booked online flows through *DirectCorporate* generating additional company savings.
